**Santa Barbara Covid-19 Live Event Requirement  
Effective Immediately**

*Santa Barbara, CA, August 18, 2021* – In an effort to create the safest possible environment for our guests, please note that patrons of all ages, including children 12 years old and younger, who plan to attend an event at the Lobero Theatre, Center Stage Theater, Granada Theatre, or Ensemble Theatre's The New Vic, must show proof of being fully vaccinated OR, in some cases, supply a negative Covid-19 medical test result (taken within 72 hours prior to each event), along with an official photo ID, before entering the venue. Masks are currently required indoors, regardless of vaccination status. Protocols may differ for each venue, so please check each organization's website for precise information. The staff, ushers, and performers at all venues have all been fully vaccinated. We thank the Santa Barbara community for supporting the performing arts while we work hard to follow the most up-to-date guidelines for the Covid-19 pandemic and keep our audience members, staff, and performers safe.
